

The Stockton from \$334,000.00 + homesite

Multiple roof lines, charming stonework, and a covered porch all combine to give this home plenty of curb appeal. Inside, the two-story foyer opens to the right with a home office or possible dining room. An efficient kitchen offers an abundance of counter and cabinet space, plus a large breakfast room and a nearby family room will keep even the rowdiest guests at bay.

- 2,500 - 3,000 square feet
- 3-5 bedrooms
- 2 1/2 - 4 bathrooms
- full basement

we build on your lot...or ours!
